

RollerPro™

PORTABLE SPRINKLER BASE

The 22" wide stainless steel roller of RollerPro™ provides a stable field position for supplemental watering. Designed for years of hard use, it is ideal for watering dry spots and newly seeded areas.

features

- 22" wide, weighted stainless steel roller prevents movement during use.
- Standard 1" FHT inlet x 1" female NPT outlet
- 3/4" inlet and outlet adapters included.

RollerPro™ works with both 1" and 3/4" hoses and sprinklers using the included adapters. Sprinklers sold separately.

BRASS IMPACT SPRINKLERS

Underhill offers a wide selection of high quality impact sprinklers to top your RollerPro™ portable sprinkler base. Featuring solid brass bodies with stainless steel drive springs and chemical resistant bearing seals, they provide the best combination of durability and value available.

ordering

Part # A-RP221 - RollerPro™

	GPM	Radius (ft.)
