

Hoze nozzles so good...
Spray patterns so remarkable...

...they're patented.

Patented **PRECISION™** nozzles emit millions of soft, uniform droplets at ideal flow rates, giving you the ultimate solution for hand watering needs (as gentle as irrigating seed beds and transplants or as powerful as soaking turf and playing fields).

The incredible **MAGNUM™**

Variable spray workhorse with **SOLID METAL** internal that won't break, won't stick.
