## Featherweight SERIES HOSE

### *There's A New Champion!*

WHAT HAPPENS WHEN WE FORGE FIRE INDUSTRY TECHNOLOGY WITH UNDERHILL'S EXPERTISE  
IN LANDSCAPE & TURF MANAGEMENT?

WE CREATED THE

## *Featherweight*

- We combined the highest pressure ratings, a tough outer core and the lightest weight possible to create the ultimate hose for watering turf, sports fields or landscape areas
- We created a special, smooth outer polyester cover that glides across the turf without scuffing
- We added guards to prevent bending at the nozzle connection to ensure the highest flow rates
- We created two versions - one for the contractor and one for the professional turf manager
- We backed it all with Underhill's superior customer service, warranty and dedication to the industry

# Featherweight UltraMAX Hose

Underhill®

## FOR THE PROFESSIONAL TURF MANAGER:

- 300 psi working pressure / 1200 psi burst pressure
- Ultra-Smooth outer polyester fabric slides across turf without scuffing
- Extremely lightweight - 1" x 100' weighs 15 pounds
- Easy to maneuver, roll and kink resistant
- Aluminum ergonomic fittings for easy connection

H10-050FW	1" NPSH x 50'
H10-075FW	1" NPSH x 75'
H10-100FW	1" NPSH x 100'
